

**Southwest Working Group Meeting Notes
December 15, 2010**

Palomar Gateway Discussion:

Future Needs:

Palomar Gateway

- North/South road from Dorothy to Anita
- Grade separation of trolley due to increased trolley service to reduce car/trolley conflict

Existing Challenges:

- Industrial from Broadway and Anita being used as dumping grounds
- Creek overbuilt and filled with trash
- “Temporary” asphalt on Industrial—remove...(find permanent solution)

Opportunity:

- Bayshore bikeway

Follow Up Questions:

- What does bike master plan call for in the area?
- How many cyclists per hour?
- And bike resources?
